State Licensed? Accredited?	We are a Religious Exempt Child Day Center and are required to file Statement of intent; Certification of tax-exempt status; Local health and fire reports; Verification of required staff/child ratio and staff health reports; and a statement showing the facility is in compliance with other health and safety requirements in the Code.
Educational or developmental Philosophy?	**We are a Christian preschool**. We know what a tough job moms and dads have of raising children and managing a family. Mothers' Day Out (MDO) offers an exciting opportunity to serve the children and families in our community. It exists to offer a respite for parents, but more than that, it exists to give children loving care combined with teaching and training in a Christian atmosphere. Moms and dads can take the time to run errands, catch up with housework, read a book, or even just take a nap! It is important to us that children in our care feel the love of Christ. While the children are in our care we focus on practicing social skills through play and teaching children that God loves them. We introduce academics through the exploration of age-appropriate themes and as children show interest. Visit our website for our full curriculum guide.
